

Input data for circle.

Enter radius: 10

Circle area: 314.16

Input data for money and taxes.

Input money: 20

Input tax rate: 6

Total due: 21.20

Input data for temperature.

Input temperature in Farenheit: 32

Celsius temperature is: 0.0000

Input data for circle.

Enter radius: 6

Circle area: 113.10

Input data for money and taxes.

Input money: 54

Input tax rate: 4

Total due: 56.16

Input data for temperature.

Input temperature in Farenheit: 80

Celsius temperature is: 26.6667

```
Input data for circle.  
Enter radius: 24  
Circle area: 1809.56  
Input data for money and taxes.  
Input money: 68  
Input tax rate: 8  
Total due: 73.44  
Input data for temperature.  
Input temperature in Farenheit: 73  
Celsius temperature is: 22.7778
```

Input data for circle.

Enter radius: 2

Circle area: 12.57

Input data for money and taxes.

Input money: 20

Input tax rate: 6

Total due: 21.20

Input data for temperature.

Input temperature in Farenheit: 42

Celsius temperature is: 5.5556

Input data for circle.

Enter radius: 1

Circle area: 3.14

Input data for money and taxes.

Input money: 54

Input tax rate: 4

Total due: 56.16

Input data for temperature.

Input temperature in Farenheit: 80

Celsius temperature is: 26.6667
